

Animal Craft

What you'll need:

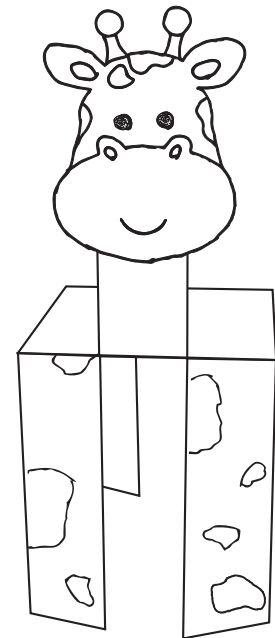

Glue

Scissors

Colors and/or markers

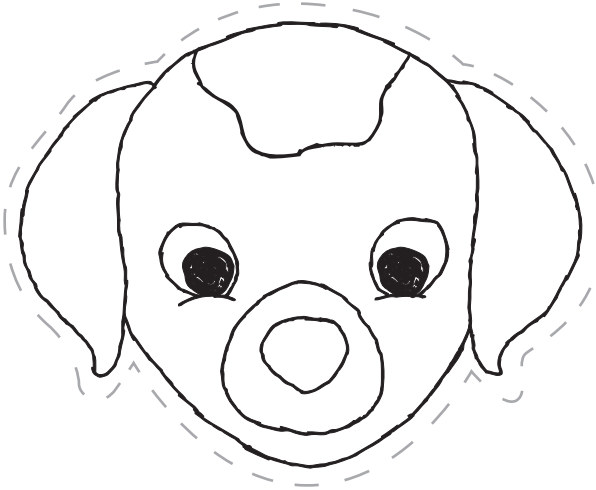

Great for art projects, afternoon
and after-school activities,
and more!

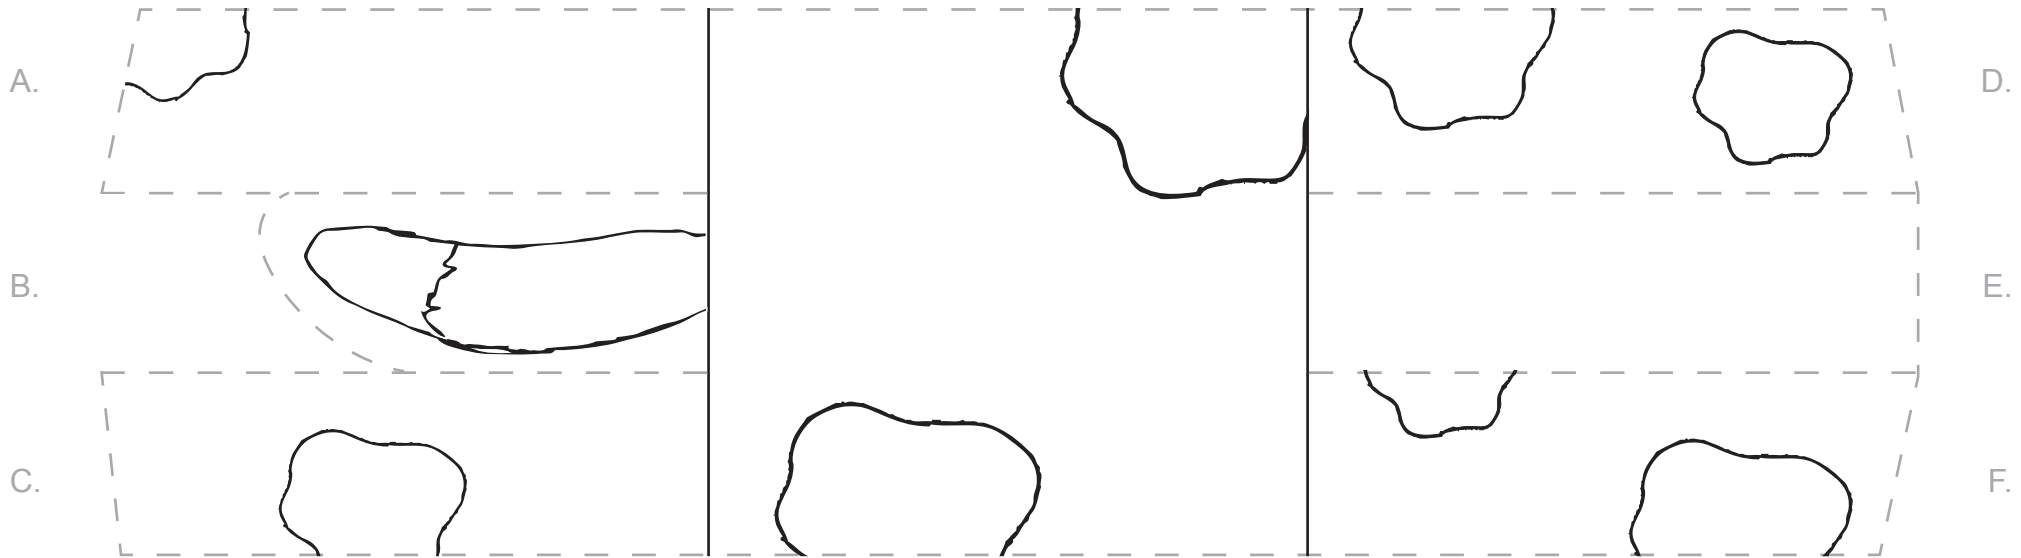

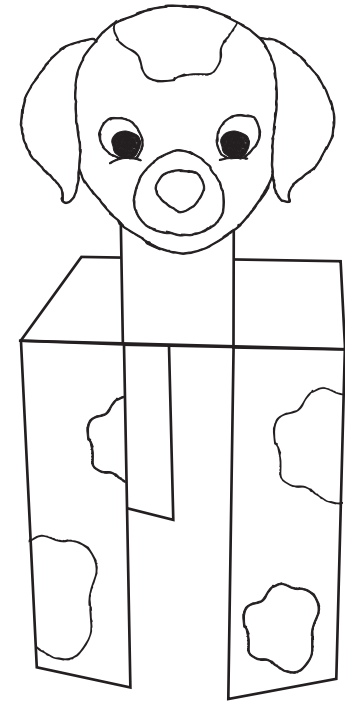

Dog Template

1. Cut out the animal's head and body along the dashed line.
2. Color the animal.
3. Cut along the dashed line between panels A-B/B-C/D-E/E-F.
4. Fold panels A, B, C, D, and F downward on the solid line as the animals legs and tail (if one is present).
5. Fold panel E upward along the solid line to make the neck.
6. Glue the animal's head on the outside of panel E, the neck.
